Illinois, Missouri and Iowa State Meet Middle West Teams in Contests

DES MOINES, Iowa, April 24.—Four previous records of the Drake relay meets were broken today at the eleventh meet.

Iowa state won the two-mile relay by winning in 3:21 1-5, which is one-fifth more than the world record. Higgins, one of the Iowa men, stumbled over the curb and lost a fraction of a second in that race. The former record for the two-mile relay made here was 8 minutes flat by Illinois in 1914.

Scholz of Missouri, again was the winner of the 100-yard dash, his time being 10.4-5, the same in which he made it when he won the race two years ago.

Illinois won the second section of the one-mile university in 2:21 3-5, the former record being 2:21 4-5. Illinois also took the four-mile university.

Cedar Rapids, Iowa, clipped one second off the best time of the meet heretofore in the two-mile relay school by winning in 3:32 4-5. The same school also reduced the previous record for the high school relay by finishing in 6:51 3-5. The old record was 6:56 in 1915.

Coe college took two events of the meet, winning the one-mile college and 1-2 mile college. Other firsts in the events open to the universities and colleges were: Missouri, 100-yard dash; Iowa State, two-mile university; Illinois, four-mile university; Michigan, one-half mile university; Wabash, two-mile college, and Michigan, first section of one-mile university.

The one-mile university probably was the closest race of the meet.

For the first part of the four-mile university the teams changed first position frequently. Chicago and Grinnell, although entered in the four-mile, did not start. No reason was given.

**HANDBALL TITLE GO AT LOS ANGELES**

NEW YORK, April 24.—The recent winners of the National Junior handball singles and doubles championships, A. L. C. Henry and Edwin J. Smith of the Detroit A. C., are now on their way to Los Angeles to take part in the national senior title handball tournament.

According to Chairman F. W. Ruben, of the American Athletic union championship committee, the tournament will be held May 22 to 29 under the auspices of the Los Angeles A. C. Members have agreed to contribute toward the expenses of the best three players in the metropolitan district in order that the picked trio can make the transcontinental trip for the championship tourney.

**MILTON GOES MILE IN 23.60 SECONDS**

DAYTONA, Fla., April 24.—Tommy Milton, driving a sixteen cylinder automobile, broke the world's record for the mile and the two-mile distance on Daytona beach today. Milton made the mile in 23.60 seconds as against the former record of 24.02, set by De Palma, according to officials of the American Automobile association. In the two-mile event Milton's time was 47.16 seconds, the previous record being 49.54. Milton will try to lower his own marks tomorrow.

**OREGON AGGIES WIN NORTHWEST RELAYS**

SEATTLE, April 24.—Oregon Agricultural college took 20 points and first honors in the Pacific Northwest relay carnival held here today. University of Washington placed second with 14 points and University of Montana, third, with 7. Other scores were:

University of Idaho 4; University of Oregon 4; Whitman college 3; Montana Wesleyan 1.

**WALKER BOXING BILL PASSED IN NEW YORK**

ALBANY, N. Y., April 24.—The assembly tonight passed the Walker boxing bill which is designed to permit fifteen round bouts to decide the New York state title. The bill, which was introduced in the senate by Minority Leader J. J. Walker, now goes to the governor. It was drawn by the Army, Navy and Civilian Board of Boxing Control.

Philadelphia	3	5	167
Detroit	0	7	000

NEW YORK, April 24.—Detroit lost its seventh straight today, Chicago hitting Dauss hard, particularly in the seventh inning and winning 7 to 1. With the exception of the fourth inning, when Detroit bunched a single and a double, Cicotte held the home team virtually helpless. Score:

R. H. E.			
Chicago	100	011	400
Detroit	000	100	000

Batteries—Cicotte and Schalk; Dauss, Alton, and Stange.

**BOSTON TAKES ONE.** WASHINGTON, April 24.—Shaw and Schacht were hit hard and poorly supported today, Boston winning from Washington, 7 to 3. Hoyt was invincible until the eighth when three passes and hits by Garrity and Shannon gave Washington its three runs. Score:

Boston	010	321	000
Washington	000	000	030

Batteries—Hoyt and Walters; Shaw, Schacht and Garrity.

**ENJOY BATTEST.** ST. LOUIS, April 24.—Cleveland enjoyed another batfest at the expense of St. Louis pitchers today and won, 10 to 1. The visitors ran up 13 hits, and the local team was forced to use three pitchers. Davis made his debut as a St. Louis moundman, but was taken out in the seventh, after the first three batters singled and the fourth passed. Score:

**YALE WINS TWICE OVER COLUMBIA**

DERBY, Conn., April 24.—The blue of Yale was carried twice to victory in the regatta with Columbia on the Housatonic river tonight. A new record for the two-mile course was established by Yale in the varsity race, with a mark of ten minutes, 7-5 seconds. Columbia finished two and a quarter lengths behind Yale, was timed in 10:13, which also was better than the record, 10:16 2-5, which was made by Yale last year.

To the great throng which viewed the races, from an observation train of 15 cars and from points of vantage on the shore, the contest of the Junior shells was far more exciting than the varsity grind. Yale finished a half length ahead after a hard fight in the choppy waters, with a stiff northwest wind blowing downstream. Owing to the wind, this race was not started until after 6 o'clock.

**OLYMPIC GOLF EVENTS WILL BEGIN JULY 12**

ANTWERP, April 24.—The Olympic golf events have been definitely set to begin July 12, following the English and French championships. Six man teams will participate and entries will close July 11. If less than five teams compete each team will meet all others; if there are more than five, it will be an elimination contest on the same plan as will decide the hockey championship. In New York state, the bill, which was introduced in the senate by Minority Leader J. J. Walker, now goes to the governor. It was drawn by the Army, Navy and Civilian Board of Boxing Control.

Thirteen below zero, in 1917, is the lowest temperature ever recorded in New York City.

**AT LOS ANGELES, April 24.**—The chief topic of conversation at most of the trapshooting tournaments this spring has been the Mapewood Tournament.

This shoot in the past has been no different than many others, but this year it will be conducted along different lines; therefore the comment. It will be a "shoot for amateurs" managed by amateurs. By that it means that the sole idea of the shoot is to make it one for shooters who are amateurs in everything that the word implies, and that it will be managed by the shooters themselves.

The shooters having charge of the Mapewood shoot are of the opinion that trapshooting should be handled by the amateurs; that the shoot should be managed by the shooters themselves; and that the distribution of prize money should be limited to the smallest amount, and that the prizes should be ones that a winner would wish to retain.

And this shoot is being worked out along these lines. It is a revolutionary move in the trapshooting game. In 39 cases out of 100 the trapshooting tournaments are managed by professional shooters, men who make it a business, and whose services can be secured without cost to the club giving the shoot.

For amateurs, By Amateurs. This is all fine and dandy and the amateur shooters have no complaint against the professional shooters or their calling, in fact they invite the professional to shoot and will give a trophy to the trade representative who makes the longest run. But Edward H. Hartford, who is chairman of the shooters committee, and those who are members of his committee on which will be found the leading trapshooters of the east, are firm in their belief that greater progress in the shooting game can be made if the amateurs take hold of things and manage the shoot.

There isn't any question but that the Mapewood shoot will be watched with great interest for it is successful we have every reason to believe that the other resorts, whether the example of Mapewood and turn over the shoot to the amateurs and if such a thing comes to pass the death knell of the much advertised big purses for trapshooting will be sounded, and those who continue to follow the tournament route, because they are sportsmen and shooters, will be some average money given and this will be so that what ever money one shoots for will be in competition with men in his own class.

Another idea is to have trophies all of silver one day; another to have them all of bronze; another all of leather, etc. There will be yardage trophies in the handicap events; one run trophies, average trophies—in

## HELP PROTECT AMERICA'S GAME

Weber Rod and Gun Association Asks Aid in Work

Help the Game Protector.

The petty thief is a menace to society and is universally considered as such, according to Art Larson, secretary of the Weber Rod and Gun association. Anyone will go out of his way to help apprehend and convict the man who takes that which does not belong to him. Why is it then that so many people are inclined to wink at violations of the game laws? Many sportsmen, while not approving of the game warden who breaks the laws for the protection of game, refuse to assist the game warden in checking the violation.
